

Cast Calander Shoot

Jewel of the Seas Summer/Winter Cast 2013

Cast Calendar Project

Concept:

PERSONAL OBJECTIVES - (ie: what dancing, singing living and working on ships means to you - something positive (or not) about your experience. Essentially the concept is wide open and can be as simple or as complex (with restrictions) as preferred. A shoot can also be recommended.

Example Scenarios:

- performance shoot while singing or dancing,
- formal dancer action shoot with minimal background
- favorite production show costume shoot
- fashion/lifestyle shoot

on ship example: backstage doing make-up hair, formal attire in various lounges

off ship location shoot example: Beach, Old San Juan, anywhere

Calendar Specs

12 Month Photo Calendar

Spiral bound

Color

Size: 8.5" x 11"

19.99 from Office Max

Methodology:

Each dancer singer will choose shoot theme or type. Shoot and set-up time may vary, but will require model for at least a one hour block of time. Shoot will commence with a concept review and end with a shoot review on iPad. All images from shoot will be delivered no later than one week after shoot - or less. In the last week of the project each models chosen image (or images) will be decided on. Month selection will be decided by Anjuli.

Setting:

Entirely open, but dependant on equipment and assistance restrictions.

Styling: open to variation

Props:

optional

Hair/Makeup:

not provided

Location:

on or off ship contingent on access and travel time parameters

Shoot Specs:

one week turn around to view edited shoot

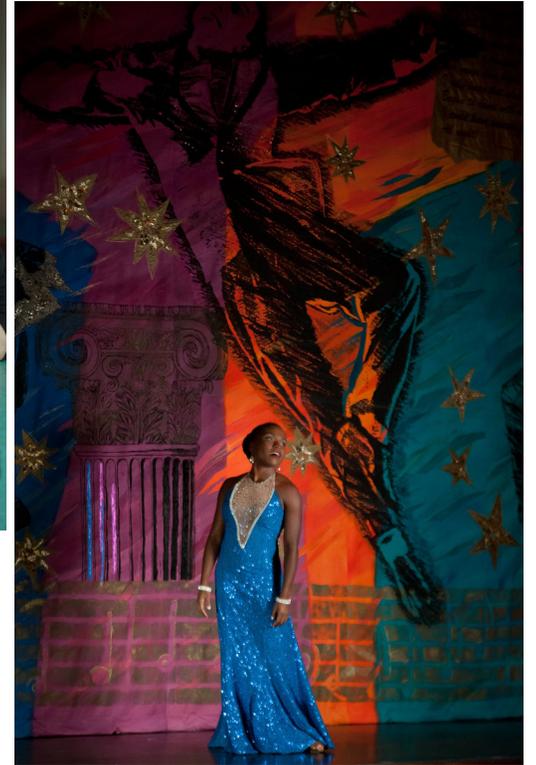

complete approval

set of facebook ready images

complete set of digital files to be delivered on supplied flash drive or CD/DVD
